Dear Ms. Soni:

CONGRATULATIONS! It gives me great pleasure to inform you that Alaris Aerospace Systems LLC has been named a South Florida Top Workplace by the *Sun Sentinel*. This means your company scored very high on the survey that was recently conducted and met the standards of a Top Workplace. Everyone at your organization should be very proud of this accomplishment.

The South Florida companies chosen for recognition were determined through employee surveys conducted by Energage. The surveys measured such qualities as company leadership, communication, career growth, working environment, managerial skills, pay and benefits.

As a way of honoring your company's most-desired qualities and for creating a positive work environment, your company will be recognized at the **Top Workplaces Awards Dinner** being held **Thursday, April 16th** at the **Margaritaville Hollywood Beach Resort**. At this event we'll count down the 2020 Top Workplaces in each category. Your company will also be featured when we publish the complete results of the competition **Sunday, April 19th**, in the annual Top Workplaces special section.

In addition, we invite you to celebrate and promote your company as a Top Workplace in a variety of ways including customizable event sponsorships, valuable advertising packages and purchasing tables at the event. You will be contacted soon by a Sun Sentinel representative, who will share all of the opportunities available to you this year.

To help you prepare your communications, approximately one month prior to the publication Energage will provide your company with the 2020 Sun Sentinel Top Workplaces logo and information, which you can use to share the news. Because your award will not be made public until April 16th 2020, we do kindly ask that you do not publicize your receipt of this award externally until after that date.

On behalf of the *Sun Sentinel* and Energage, we thank you for your participation and offer our sincere congratulations on this achievement. I look forward to seeing you at the April 16th event to congratulate you in person.

Sincerely,
